Part of the success of the Playscheme is the support given by parents and carers, by helping at some of the sessions. This help is greatly appreciated by both the organisers and the children. **We ask that all parents/carers provide help at one of the sessions, wherever possible. This additional help allows us to offer more activities.** A crèche is provided to look after children under five whose parents who are helping.

Please indicate if you can help at any of the sessions by ticking the appropriate box/es on the application form.

Any queries, please contact Angela or Cheryl.
